I request to be allowed to serve on the Hurlburt Field Honor Guard (HG). I have read and understand the HG's operating procedures and policies as outlined in HFI 34-503. Although the HG will provide time for CDC study, I am aware that my CDC's are my responsibility and I will be held accountable for them. I am also aware of the high dress and appearance standards and work ethics enforced by the Honor Guard and fully expect to be able to adhere to them. All necessary uniform items will be issued to me upon completion and graduation from the HG training course, however these items will remain property of the Honor Guard. I will maintain these items properly throughout my tenure, and ensure that they remain in serviceable condition. Failure to do so may require me to reimburse the HG, if items are found to be unserviceable due to neglect or carelessness.
